

REMARKS

The Examiner has allowed Claims 1 – 5 and objected to Claims 6 – 10 stating that the Examiner believes Claims 6 – 10 are identical to the limitations of claims 1 – 5. Claim 1 has been amended to correct a grammatical error. Claim 6 has been amended to further describe the invention and does not introduce new matter. In addition, Claim 23 has been added (and associated dependent claims 24 – 28) to further describe the invention and also does not introduce new matter. It is believed that the subject application is in condition for allowance and allowance of the application at issue is respectfully requested.

Respectfully submitted,
